

ABOUT

Hearting is a beauty and lifestyle blog run by Ioanna, a twenty something Marketing Executive from Hertfordshire. I started my blog in August 2014 as an outlet for my creativity. My blog enables me to document snippets of my life and write about all of the things I'm hearting (loving) including beauty, baking, crafts and photography.

FURTHER INFORMATION

If you would like me to review your product(s) on my blog or feature an item on my social media channels, please e-mail me at ioanna@hearting.co.uk to discuss further. Anything I write is 100% my own, honest opinion at all times and I like to make it clear when an item has been sent for review. I do not accept guest posts or third party content.
